

# NUTRIFII™

**THE ENERGY YOU  
NEED TO LIVE THE  
LIFE YOU WANT.**

**Morning workout, 7:00 a.m. conference call, lunches to pack, errands to run, long day at the office, busy commute, repeat. Sound familiar? You need a no-regrets energy solution.**

Researchers have found many potential risks associated with energy drinks! Ditch the sugary coffee drinks and expensive energy products, and choose a natural, cost-effective source of energy.

Part of the Nutrifii™ product line – a premium collection of bioavailable supplements that include synergistic blends of vitamins, minerals and nutrient-dense superfoods designed to Restore, Fortify and Boost – Rejuveniix™ is a natural energy supplement that boosts your day by helping to sharpen focus, elevate mood and promote energy.

## **NATURAL**

Natural energy derived from wholesome, natural ingredients, without the jitters or the crash from synthetic chemicals or added sugar.

## **AFFORDABLE**

The cost-effective, healthy alternative to coffee and energy drinks at a fraction of the price.

## **PORTABLE**

Pocket-sized, with a serving size at only three capsules per day, it's easy to take Rejuveniix everywhere – train, plane or automobile!

Whether you are a working mom trying to fit everything into a day, a busy dad trying to get more out of life, a college student cramming for finals, or a retiree ready to kick-start your day, Rejuveniix is your go-to choice for on-the-go energy that lasts.
